Introducing Our New Pavilion Security Officer

We would like to introduce Mike Davidson to the
Association, and Welcome him warmly.

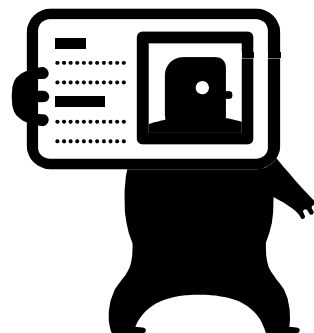

Mike has moved into the camp site at the pavilion and is
going to be keep watch.

He is not a police officer; please don't ask him to do
anything that would require law enforcements attention.
He has instructions to check passes and enforce the Park
and Pavilion rules.

Should he encounter any difficulties in his duties he has
the full backing and support of the Board of Directors, in
calling the Sheriff's office and having people removed, and
if needs be arrested for trespassing.

Be prepared to show him your pass.

Please follow the rules and have a great summer!

Mail Delivery Problems

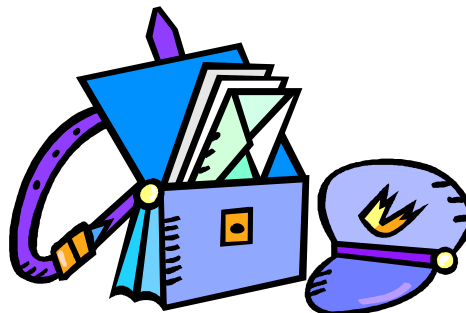

WE have an ongoing problem with the quality of mail delivery. During the course of business many of my conversations with homeowners include the problems with the mail being misdirected. I myself have had first hand experiences with this.

I'm writing to you in the efforts of loading my guns for a meeting with the Post Master of our branch office.

Please take the time to sit down and jot out a short note as a complaint on the issue and drop it in the Association Mail box, located on Bayou George Drive right before the entrance to the Pavilion. You may also go to our website in the owner's only section, send us an e-mail.

I can't fix this without your help. ☺

Please have them to me by
May 30th.
