President's Greeting

Another year is upon us and spring is here. It is so nice to see the trees budding with new life and soon we will all be in our yards doing the Spring Cleaning, planting new flowers and shrubs and making our Community as beautiful as possible.

I would like to bring to everyone's attention all the improvements that have been made at the Pavilion area and the entrances to both the North and South. The Pavilion will be ready for everyone's enjoyment for warmer months to come. The Association is planning a Spring Cookout at the Pavilion for the Homeowners in May, more info further down in the newsletter. Also, the Spring yard sale is coming in the month of April. We encourage everyone to use your pass to the Pavilion area and the Lake, for summer fun and cookouts.

As your new association President, I want to take this opportunity to welcome each every homeowner to our monthly meetings. We need each of you to add you ideas and input on things that will improve our Neighborhood. As I did, I am sure most of you chose to live in Sweetwater Village because of the Codes and Covenants that regulate our community. It is unfortunate that some resident's choose to ignore the covenants. As you drive thru the community you will see most of our Homeowners take pride in their yards and their homes and then there are those that elect to ignore many of the rules and covenants.

The Association is working hard to make improvements to our community and I again ask each of you to become an active part of our Association and our Community.

I look forward to meeting you and serving on the Board for 2010.

Phillip Ramsey

For Your Information

Beginning January 1, 2010, Florida will have new documentation requirements for residents renewing or obtaining a new driver license or identification card. For office visits, you must bring original documents that prove your **identity, social security number and residential address.**

You must visit an office with these documents:

- if you are applying for your first driver license or identification card
- when your current credential expires and you have already used the one-time "convenience" renewal option
- if you legally change your name (eg: by marriage or divorce)

If none of these apply then you can [renew your license online](#), or by mail.

Remember: if you visit an office to obtain a driver license or ID card after January 1, 2010, you will need to meet the new requirements.

Can I still renew online or by mail?

You are allowed to renew one time by a convenience method (Internet or mail). Your next renewal must then be in a driver license office. For example, if you renewed your license online in March 2009, you will need to visit a driver license office for your next renewal.

Grandpa gets an Audit

The IRS decides to audit Grandpa, and summons him to the IRS office. The IRS auditor was not surprised when Grandpa showed up with his attorney. The auditor said, 'Well, sir, you have an extravagant lifestyle and no full-time employment, which you explain by saying that you win money gambling. I'm not sure the IRS finds that believable.'

'I'm a great gambler, and I can prove it,' says Grandpa. 'How about a demonstration?'

The auditor thinks for a moment and said, 'Okay. Go ahead.'
Grandpa says, 'I'll bet you a thousand dollars that I can bite my own eye.'
The auditor thinks a moment and says, 'It's a bet.'

Grandpa removes his glass eye and bites it. The auditor's jaw drops. Grandpa says, 'Now, I'll bet you two thousand dollars that I can bite my other eye.'

Now the auditor can tell Grandpa isn't blind, so he takes the bet. Grandpa removes his dentures and bites his good eye.

The stunned auditor now realizes he has wagered and lost three grand, with Grandpa's attorney as a witness. He starts to get nervous. 'Want to go double or nothing?' Grandpa asks 'I'll bet you six thousand dollars that I can stand on one side of your desk, and pee into that wastebasket on the other side, and never get a drop anywhere in between.'

The auditor, twice burned, is cautious now, but he looks carefully and decides there's no way this old guy could possibly manage that stunt, so he agrees again. Grandpa stands beside the desk and unzips his pants, but although he strains mightily, he can't make the stream reach the wastebasket on the other side, so he pretty much urinates all over the auditor's desk.

The auditor leaps with joy, realizing that he has just turned a major loss into a huge win.

But Grandpa's own attorney moans and puts his head in his hands. 'Are you okay?' the auditor asks.

'Not really,' says the attorney. 'This morning, when Grandpa told me he'd been summoned for an audit, he bet me twenty-five thousand dollars that he could come in here and pee all over your desk and that you'd be happy about it!'

I keep telling you! Don't Mess with Old People!!
